TWINPEAKES FLYFISHING

Will & Al are both professional fly fishing guides and certified casting instructors based on the River Dee. They are here to help you make your first step in to the world of fly fishing or to help you brush up your skills and techniques for that special trip.

- ~ Twinpeakes are fortunate to teach on exclusive water on the River Dee near Aboyne, where we are able to comfortably teach modern casting techniques in real fishing situations.
- ~ We offer the chance to finish the lesson with guided or non guided fishing on the beat to try and catch a wild Atlantic Salmon.
- ~ Structured tuition to suit all levels of ability will be tailored to your specific needs and in a relaxed environment.
- ~ If you are already fishing on the Dee we can come to your beat and give a lesson on the water. Particularly useful if you find a pool tricky to fish. (Ghillies permission required first)
- ~ We are here to help! With extensive worldwide fishing experience we are happy to answer any questions and offer advice on your next trip.
- ~ All tackle, safety equipment and waders are provided

CASTING TUITION: £35 PER HOUR

Casting tuition will be tailored to your experience and skill level. Whether you want to learn the basics, perhaps want to add a few more yards to your cast or struggling on windy days we will teach you how to progress your casting skills.

Learning the Circle C cast

The most fundamental parts to any speycast

SALMON FISHING EXPERIENCE: 3 1/2 HOURS. £110 + £50 PER ADDITIONAL PERSON

CASTING LESSON FOLLOWED BY GUIDED FISHING

To get the most out of your lesson this package adds on some guided fishing which allows you to put what you have learned into a real fishing application. Here we can teach which casts are best for different circumstances, how to read water and present the fly in different ways with a real chance of catching a salmon

Great to see more ladies taking up the sport

CASTING COURSE: 4 2HR SESSIONS: £250

This course is aimed to make you a more proficient caster and in the long run catch more fish. Spread over 4 session usually one week apart to allow you to practice we will cover all four of the Speycasts, breaking each one down and ensuring you can not only perform them efficiently but understand the mechanics of the casts.

Manipulating Loop shapes

Introduce, Demonstrate, explain...

LOOP TACKLE

- ~ Supported by Loop Tackle Design we use quality balanced tackle.
- ~ As a Loop Tackle stockists we can offer the chance to try before you buy. If looking to invest in some tackle come down to our school and we can try some different outfits to make sure you get what is right for you.
- ~ We offer a tackle rental, if you have been invited to a day salmon fishing you can arrive kitted out and ready to go, no having to borrow old un-balanced tackle

GROUPS

Learning as a group can make a really enjoyable way to get into the sport and then you already have people to fish with.

One thing Flyfishing has done for us is allowed us to meet some really great people around the world

Please get in touch for availability and prices

TRAVEL CONSULTANTS

With extensive experience fishing internationally we offer guidance on fishing abroad. We work closely with operations around the world and can help you fulfil your dream Flyfishing destination

If you have booked a destination fly fishing experience we offer a pre trip package where we will find out what tackle and techniques you will need and structure a casting workshop around that so you know when you arrive you wont have any surprises.
